GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE. BANGALORE.

Tender Notice No. S. P. C. 829, dated 4th February 1924.

Sealed tenders will be received in the office of the undersigned for the supply of cement required for the use of the Public Works Department and the Krishnarajasagara works during the current year. The quantity and description of the material required are given in the attached schedule.

2. The tender should reach the undersigned before 12 noon on Monday the 25th February 1924. It should be in the form given below and should state clearly the quality and the rate at which the material will be supplied. Tenders should be accompanied by a cheque for Rs. 100 on the Mysore or Imperial Banks as earnest money without which they will not be considered.

3. The purchase of the entire quantity of cement noted against the Public Works Department is not guaranteed but the successful tenderer should be prepared to supply such quantities of the material as may be required from time to time up to the limit of the total quantity on indents to be made by the Executive Engineer, Water Supply Division, Bangalore. In the case of the cement required for the Krishnarajasagara works, the supply of the whole quantity should be completed before the 15*th of March* 1924.

4. The final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender.

5. The rates given in the tender should include the cost of delivery at the places specified in the schedule and hold good for 15 days from the date fixed for opening the tender and if any tenderer withdraws from his tender before the said period or the tende

having been accepted fails to execute an agreement for the due fulfilment of the contract or to deposit the security amount noted in column 6 within eight days of the intimation of the acceptance of the tender, the earnest money deposited by him will be forfeited to Government. The earnest money in the case of rejected tenders will be returned.

General conditions regarding supply.

(*a*) The cement to be supplied shall be English or Indian manufactured cement.

(*b*) The cement shall satisfy the tests as per British standard specification. Results of tests made on the cement by recognised authorities in England or India shall be sent along with the tenders.

(*c*) The supplier shall supply the cement in properly coopered casks and of net weight of 560 lbs. in double gunny bags of 112 lbs. net weight.

(*d*) In the event of the material not being up to the standard, the consignment shall be rejected and the supplier shall remove the same at his cost and arrange for a fresh supply within a week.

Special conditions applicable to the supply of cement to the Public Works Department.

(*a*) The supplier shall guarantee to maintain a stock of not less than 100 barrels in Bangalore at all times.

(*b*) The supplier shall comply with the indents of the Executive Engineer, Water Supply Division, Bangalore, within 3 days of the order.

(*c*) The supplier shall duly notify the Executive Engineer, Water Supply Division, Bangalore, each and every consignment of cement received by him in his godown.

(*d*) The supplier shall allow the Executive Engineer, Water Supply Division, or his authorised representative to inspect the stock in his godown at all reasonable times and shall permit the Inspecting Officer to collect cement for test from any barrel of cement stocked. Such cement shall be tested by the Executive Engineer, Water Supply Division, in his office.

(*e*) If the cement tested fails to satisfy the conditions of British standard specification, the whole of the consignment will be rejected and the supplier shall remove the same from that particular godown and shall guarantee to replace the same with fresh stock within a week's time.

(*f*) The supplier is bound to supply the required quantity of cement direct to any Public Works Division outside Bangalore when so advised by the Executive Engineer, Water Supply Division, in which case *bona fide* packing charges, conveyance charges including Railway freight from Bangalore will be paid. In all such cases the supplier shall send the article always freight paid and post the Railway receipt to the consignee forthwith to avoid wharfage, storage or demurrage charges. All such charges resulting from inaccurate or incomplete or illegible addresses of the consignee or from the too late posting of the Railway receipt must be borne by the supplier and such charges shall be deducted from the amount of the bill concerned after giving intimation.

(*g*) The period of the contract shall be for a period of nine months from 1st March to 31ts December 1924.
